PROTOCOLS FOR PRE-ARRIVAL

DOMINICA

COMPULSORY REQUIREMENTS FOR PASSENGERS/TRAVELLERS:

- a. ALL travellers shall:
 - i. Complete a health questionnaire online prior to arrival in Dominica. website at <http://domcovid19.dominica.gov.dm/> or on arrival in Dominica.
 - ii. Upload a negative PCR test result from swab taken within 72 hours prior to arrival OR upload pre-arrival negative Rapid Antigen Test result from swab taken within 48 hours prior to expected arrival time into Dominica; Rapid Antigen Test results must be from an accredited/certified facility (No Rapid Antigen Home Test or self-administered test results will be accepted).
 - iii. Upload vaccination certificate.
- b. QR Code shall be generated automatically upon submission of form.
- c. Travellers must present Negative PCR test result from swab taken within 72 hours prior to arrival OR Negative Rapid Antigen Test result from swab taken within 48 hours prior to expected arrival time into Dominica to airlines or other travel carrier prior to boarding and upon disembarkation in Dominica.
- d. Unvaccinated travellers shall pay for Antigen test online (XCD\$100) and present receipt upon disembarkation.
- e. Travellers that complete the submission with accurate records can be pre-validated, and enjoy a seamless process upon disembarkation, however all incomplete submissions or erroneous attachments will result in a more rigorous validation process and a longer processing time at the airport.

DOMINICA

COMPULSORY REQUIREMENTS FOR ALL UNVACCINATED ARRIVING PASSENGERS/TRAVELLERS

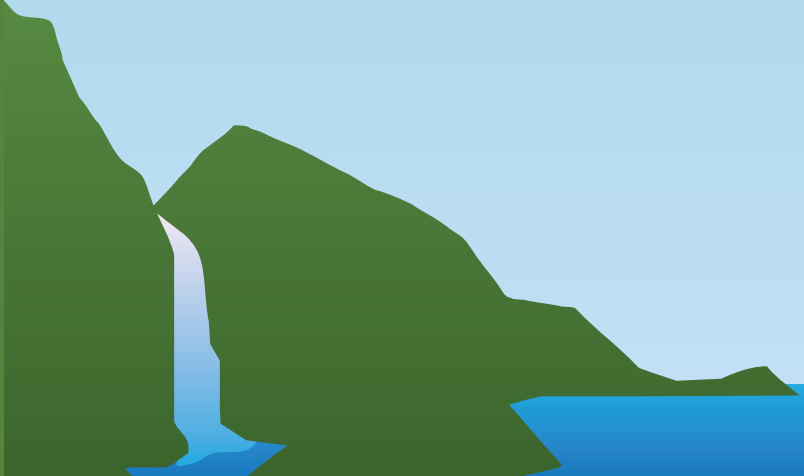

All unvaccinated travellers must:

- a. Submit a health questionnaire online at least 24 hours prior to arrival in Dominica (website) at <https://domcovid19.dominica.gov.dm/>
If you experience difficulties submitting this form it must be completed on arrival in Dominica.
- b. Upload confirmation of a Quarantine booking at a Safe in Nature certified property where you will be expected to quarantine for up to 7 days based on results of your PCR test required to be taken on day 5.
- c. Pay for Antigen Test online (XCD\$100) at <https://epayment.dominica.gov.dm/Services/Addpayment/3747>
- d. Unvaccinated Travellers must present the following to **airlines** prior to boarding to Dominica:
 - i. Negative PCR test result from swab taken within 24-72 hours prior to arrival; OR negative Rapid Antigen test result from an approved lab from a swab taken no longer than 48 hours prior to arrival in Dominica (No home test kit results will be accepted for Antigen results).
- e. Unvaccinated Travellers must present the following upon **disembarkation** in Dominica
 - i. The QR Code generated upon submission of your online health form.
 - ii. Receipt for Antigen Test which Unvaccinated travellers shall pay for online (XCD\$100).

DOMINICA

PROTOCOLS FOR PERSONS WHO ARE FULLY VACCINATED

PROTOCOLS FOR PERSONS WHO ARE FULLY VACCINATED

DOMINICA

DISEMBARKATION:

Travellers shall:

- a. Sanitize their hands at sanitization stations as directed.
- b. Undergo a health assessment to include a temperature check.
- c. Fully vaccinated Travellers shall present confirmation of complete health questionnaire (QR Code)
- d. QR Code shall be scanned to validate:
 - i. Negative PCR test result OR Negative Rapid Antigen Test results
 - ii. Vaccination certificate
- e. If test is validated, traveller will be deemed medically cleared.
 - i. If test is not validated, traveller will be required to have a Rapid Antigen test at the airport. On receipt of a negative test result, traveller will be deemed medically cleared.
 - ii. If vaccination certificate is not validated, protocols for non-vaccinated travellers will apply.
 - iii. Travellers shall be transferred to Immigration for processing and to Customs for screening.

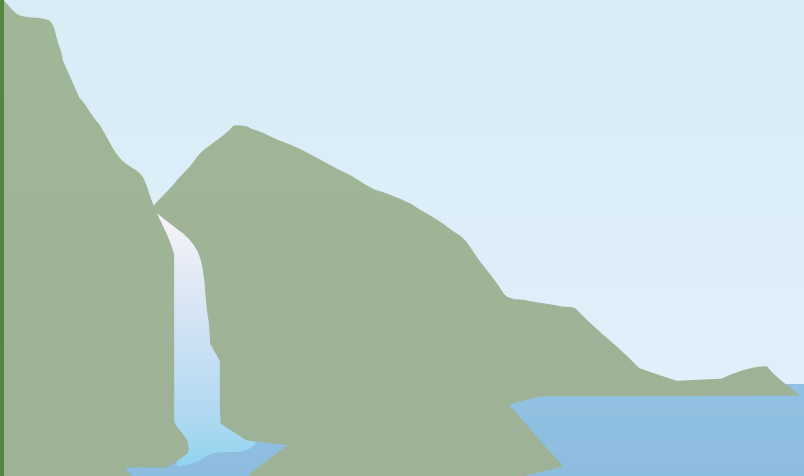

DOMINICA

TRANSPORTATION FOR FULLY VACCINATED TRAVELLERS ON ARRIVAL INTO DOMINICA:

Once cleared, vaccinated travellers shall depart from the port on either one of the following transportation options:

- a. Safe in Nature-Certified taxi.
- b. Rental transportation (Safe in Nature certification is required for Rental companies to operate at the Ports). Drivers shall be fully vaccinated.
- c. Family / Friend pick up
 - i. Only the driver will be allowed entry into the Port.
 - ii. Driver must be fully vaccinated.
 - iii. Pick up only at the first roundabout immediately after the parking lot at the Douglas-Charles Airport.

DOMINICA

PROTOCOLS FOR PERSONS WHO ARE NOT FULLY VACCINATED

DOMINICA

INDIVIDUALS ARE CONSIDERED TO BE UNVACCINATED OR NOT FULLY VACCINATED IF:

- i. They have no valid evidence of vaccination.
- ii. They have received a vaccine which has not been approved by the Ministry of Health and World Health Organization.
- iii. They have only received one dose of a two-dose vaccine regimen.
- iv. Two weeks have not elapsed since their second dose or single dose or 1/1 series of Johnson and Johnson.

DOMINICA

DISEMBARKATION:

- a. Unvaccinated Travellers shall present confirmation of complete health questionnaire (QR Code).
- b. QR Code shall be scanned to validate:
 - i. Negative PCR test result OR Negative Rapid Antigen Test results
 - ii. Absence of vaccination certificate confirms unvaccinated status
- c. Once documents are validated traveller will be required to have a Rapid Antigen test at the airport.

DOMINICA

TESTING

a. An Antigen Test will be administered on arrival.

- i. If Antigen Test is positive, traveller must be isolated at the Covid Care Complex (CCC) until released by an authorized Health Professional. Hospital fees will apply.
- ii. If Antigen Test is negative, traveller will be transported to mandatory quarantine at a Safe in Nature certified property for a minimum of 5 to 7 days at the traveller's expense.

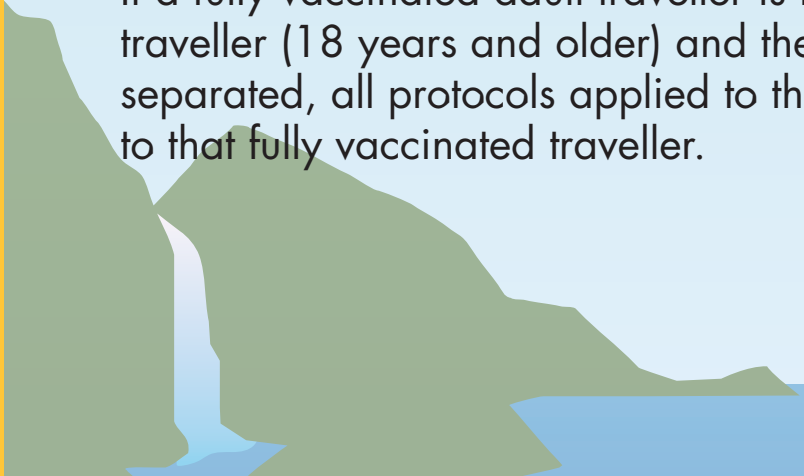

b. A PCR test will be administered to the traveller on Day 5 after arrival and travellers will await the results (available within 24-48 hours).

- i. If the result of the PCR test done on Day 5 is negative, traveller will be deemed medically cleared at the discretion of medical official.
- ii. If the result of the PCR test done on Day 5 is positive, traveller will be isolated at the Covid Care Complex (CCC).

PROTOCOLS FOR CHILDREN, FAMILIES, GROUPS

- Some families may be travelling with children who are not vaccinated. Children under 18 years who are travelling with fully vaccinated guardians from the same household will be subject to the same protocols as their fully vaccinated guardians.
- Health screening questionnaire shall be submitted for all travellers aged one (1) year and above.
- Pre-arrival test results shall be uploaded for all travellers aged two (2) and above.
- Unvaccinated travellers aged one (1) year and above shall be swabbed for an Antigen and/or PCR Test, as the protocols dictate.
- If a child should test positive, the entire family will need to be quarantined and tested.
- If a fully vaccinated adult traveller is travelling with an unvaccinated adult traveller (18 years and older) and they are unable to, or choose not to be separated, all protocols applied to the unvaccinated traveller will also apply to that fully vaccinated traveller.
